**N.B.**

1. Prior Learning Assessment & Recognition (PLAR) will be used to assess previous knowledge and work experience toward the awarding of National Certification by a Standards and Enforcement Officer (SEO).
2. Industry Assessment Panel (IAP) will conduct in field assessments as well as assess applicant's competency to meet specified criteria for the trade.
3. Occupational Advisory Committee (OAC) is composed of qualified industry partners, who evaluate applications and provide final approval.
